Dear Joanna Cadman,

**Solar Facility - Land west of Blackwell Farm, Hogs Back, Guildford, GU3
Application no. 24/P/00441**

Thank you for your email to ministers dated 31 May 2024, in which you ask for the above planning application to be considered for call in. I am sorry for the delay in sending you a reply.

Officials have been informed by the Local Planning Authority that a date for planning committee is still to be determined for this application. I can confirm that the Department is considering your request and a member of our Planning Casework Unit will contact you again in due course.

Please note that as you have made representations about a planning application which is before the Secretary of State, it may be necessary to make your letter available to a third party should that party make a request for information on representations made to the Secretary of State on the application. Any personal or identifying information will be removed before release.

Thank you for taking the time to write to us.

Yours sincerely,

Tom
